

### ***PKF The Consulting House announces Senior Appointments***

Despite economic trends and market concerns PKF-The Consulting House have announced two significant appointments within their Dubai Office: Mr. Andreas Braeuer becomes an Associate Director and Mr. Adrian Jonklaas is promoted to Senior Consultant.

Commenting on the appointments, John Alexander, Director and General Manager stated “We are delighted to reward the significant contributions made by Andreas and Adrian, which clearly reinforce the company’s commitment to a sound succession policy, supporting the growth and development targets of the group. We are firm believers in counter-cyclical strategies and these appointments prove we practice what we preach.”

Sven P. Gade, Director and Head of Consulting added “it is particularly encouraging to take these steps when the market in general is thinking along the lines of suppression and concern. These changes demonstrate our faith in the future of the industry and reinforce our commitment to quality, offered both at individual and corporate level, something which our clients really appreciate”.

**PKF The Consulting House** are business advisors to the hospitality and property sectors based in Dubai and operate under the oldest established brand name in the industry. Their services are focused on the needs of owners, investors and developers of hotel and tourism related real estate projects. Core services cover real estate strategy, fully fledged project development management, business valuation, operator selection and feasibility & market studies.
